

# Low Profile Fixed Wall Mount for 32" - 75" TVs

## KAWLMT75FXA

### Quick Start Guide

## Safety & Warnings

- Read all instructions before beginning instruction and assembly.
- Surpassing the rated weight (including TV weight, screws and all attached hardware and components) may result in instability and cause possible injury.
- This product is designed to be installed on wood stud walls, solid concrete walls or brick walls.
- This product is designed for indoor use only. Use outdoors could lead to product failure and personal injury.
- This product contains small items that could be a choking hazard if swallowed. Keep these items and all packaging away from young children.
- Make sure these instructions are read and completely understood before attempting installation. If you are unsure of any part of this installation, please contact the Kogan.com customer support team or a professional installer.
- The wall or mounting surface must be capable of supporting the combined weight of the mount and the display, otherwise the structure must be reinforced.
- Safety gear, safe working methods and proper tools must be used. A minimum of two people are required for this installation. Failure to use safety gear and safe working methods may result in property damage, serious injury or death.
- Check the joints every 3 months, making sure any loose screws have been retightened.
- If you have any questions regarding any of the instructions, contact Kogan.com.
