

SILVER UNLIMITED PLAN - CRITICAL INFORMATION SUMMARY

INFORMATION ABOUT THE SERVICE

Kogan Internet is a fixed broadband data-only service (“NBN Service”) that provides you with internet access via the National Broadband Network (“NBN Network”) as supplied to us by Vodafone Hutchison Australia Pty Ltd as supplied by nbn Co Limited (“NBN”).

Minimum monthly charge:	\$71.90
Minimum term:	The KOGAN NBN SILVER UNLIMITED PLAN has a 1 month minimum term. Total minimum cost is \$71.90. Total minimum cost when including a Kogan Internet modem is \$140.90
Included monthly data:	Unlimited data is provided on this Plan. Personal use only and Fair Use Policy applies to any ‘unreasonable use’ of Plan inclusions. This includes any ‘unlimited’ or ‘infinite’ offerings. All inclusions are for use in Australia.
Bundling:	You don’t need to bundle this service with another Plan.
Equipment required:	You need a compatible modem in order to use this Plan. You can find the specifications of a Compatible Modem HERE . If you have any questions about if your modem is a Compatible Modem you may also contact us. When you sign up to this plan you may either choose to use your own Compatible Modem or purchase the Kogan Internet Modem at a cost of \$69. Once purchased, this modem is non-refundable (other than in accordance with your rights under the Australian Consumer Law). This charge will be shown on your first bill. Please note that by signing up to this Plan your existing home phone line service will be terminated. When you connect to Kogan NBN certain equipment or services at your premises may be impacted and no longer operate. These include medical devices, alarms, EFTPOS machines, lift emergency phones and some email or fax services. Please contact the equipment manufacturer or service provider if you are unsure. Kogan Internet does not offer Priority Assistance.
Service availability:	The NBN Service is not available in all areas or to all premises. Availability is subject to a service qualification check which we will perform when you request to sign-up. The technology used to deliver the NBN Service will depend on the connection between your premises and the NBN Network which includes: (1) Fibre to the Premises (‘FTTP’); (2) Fibre to the Node (‘FTTN’); (3) Fibre to the Building (‘FTTB’); (4) Hybrid Fibre Coaxial (‘HFC’); (5) Fibre to the Curb (‘FTTC’). Your technology type can be explained when you sign-up.
Installation & Setup:	There is no charge for standard Kogan NBN installations. Kogan Internet do not offer non-standard or professional installations. The new development charge of \$300 will apply to you if NBN has to activate a connection for the first time at a premises that is in a newly developed area or building. If applicable, we will apply that charge to your first bill following activation of the NBN Service at your premises. You must be over the age of 18 to have Kogan NBN installed. If you are the owner of the property you must provide consent for NBN to install the NBN Service. If you are not the owner of the property or if you live in a strata property you must obtain owner consent or strata approval for installation.
Plan Speed:	This Plan is associated with the NBN50 product which is provisioned with a maximum connection speed of 50Mbps (download) and 20Mbps (upload). Speeds on this Plan are variable and you will typically experience slower speeds than the maximum connection speed available on your Plan, particularly during peak times (7-11pm). For FTTB/N/C Customers, actual speeds will vary and if after service activation your Plan speeds will

vary and if after service activation your Plan is not supported by the maximum attainable speed available then we will contact you with more information and provide other options. The actual speeds you experience will vary on a number of factors such as the NBN technology used to deliver your service, plan choice, location, how much capacity is purchased from NBN internet traffic demand, our network, line condition, the number of devices connected to your network, modem type and positioning, Wi-Fi performance, in-building wiring, and the content you access. Please see our Speed Guide for more information [HERE](#).

Plan Changes:

You can change your NBN speed tier by moving to a different Kogan NBN Plan. There are no penalties or fees for moving between plans. You can change your Plan once per bill cycle. You will be refunded for the Plan fee for the remainder of the month on a pro-rata basis and you will be charged your new Plan fee calculated on a pro-rata basis for the remainder of the month.
