

KOGAN 5-IN-1 STEAM MOP

A bit late with your spring cleaning? With the help of Kogan's 5-in-1 Steam Mop you can clean the whole house quickly and easily. Doing the job of five products – floor mop; carpet cleaner; hand-held steamer; mirror, window and glass cleaner; and garment steamer – it allows you to give your house the thorough clean it needs without using harsh chemicals and without any exhausting scrubbing. It works on all surfaces to eliminate 99 per cent of bacteria. RRP \$69 kogan.com

CLEANSTAR VACUUM CLEANER PET KIT

This affordable pet tool kit from Cleanstar comes with a universal adaptor to suit most vacuum cleaners and includes a turbo head and lint picker tool that removes pet hair and rejuvenates carpets. The handheld turbo feature is also suitable for removing pet hair from furniture, stairs and mattresses. RRP \$57 vacuumparts.com.au

WHITE MAGIC EXTRA POWER

Providing more power than the classic White Magic Eraser Sponge, the Extra Power is 3cm thick, which is compressed down to 1.5cm, to create a block that is twice as hard as other microfibre sponges. Shaped in an ergonomic pattern, the sponge removes grease and grime, soap scum, erases scuff marks and eliminates ground-in dirt. RRP \$10.95 whitemagic.biz

RAYCOP DUST MITE VACUUM CLEANER

Raycop is a UV anti-allergy dust-mite vacuum cleaner that purports to kill 99 per cent of bacteria and eliminate up to 94 per cent of dust mites. It is designed to clean beds, linens and other fabrics, helping to create a healthier environment in the room. Raycop cleans deep into fabrics and can be used to clean mattresses, sofas, chairs, futons, crib pads, bedding, pillows and curtains. It is suitable for those suffering from allergies and hay fever, and for all people who want a cleaner and safer living space. RRP \$189
