

Motorised Semi-Auto Soft Bullet Revolver

Quick Start Guide

KAGUNRVLNRF

Blast away your competition with the Motorised Semi-Auto Soft Bullet Revolver. Featuring an electric motor for semi-automatic rapid firing, it is sure to provide hours of fun and entertainment for all.

Product Checklist

The following items are included:

- Motorised Semi-Auto Soft Bullet Revolver
- 10 Soft Bullets
- 10 Soft Suction Bullets

Getting Started

1. Load the Soft Bullets / Soft Suction Bullets into the Bullet Chamber, on either side of the revolver, foam first. Note: only use the bullets designed for the revolver. Do not modify the bullets in any way. Please avoid the removal of the Bullet Chamber. Do not force the Soft Bullets into the chamber – doing so will risk damaging the foam and, as a result, the operation of the revolver.
2. Locate the revolver's Battery Compartment, located just above the trigger. Open the compartment and correctly install 3 x AA batteries. Close and secure the Battery Compartment.
3. Locate the ON/OFF switch. Set the switch to the 'ON' position.
4. Aim the revolver and pull the trigger to fire the Soft Bullets. Note: do not aim at eyes or face.

Warnings / Disclaimers

- This product is not suitable for children under 3 years, due to small parts.
- To avoid injury, only use the bullets designed for this product. Do not modify the bullets or the revolver. Do not aim the revolver at anyone's eyes or face.
- Any misuse of the product will void warranty. In the event of product misuse, Kogan will not be responsible for damage or injury if applicable.
- If you believe the revolver has malfunctioned or requires repair, please refrain from attempting to repair it yourself. Refer all servicing matters to qualified personnel, or contact the Kogan Customer Support Team.
