9-IN-1 STEAM STICK

KASTKSTM09A
To provide continuous protection against the risk of electric shock, connect the device to properly grounded outlets only.

Check that the mains voltage corresponds to the voltage indicated on the rating label. See specifications as below: ~220-240V, 50/60Hz, 1300W.

This product is designed for domestic use only.

Do not use at outdoors.

Do not leave the Steam Stick unattended while switched on. Turn OFF the switch and unplug the electrical cord when not in use and before servicing.

Do not allow to be used as a toy. Close attention is required when used near children, pets or plants.

The appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities or lack of experience and knowledge unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety. Children should be supervised to ensure that they do not play with the appliance.

Never direct steam towards people, animals, plants or equipment containing electrical components, such as the interior of the ovens.

Do not immerse the Steam Stick into water or other liquids.

Do not use with damaged cord or plug. If the supply cord is damaged, it must be replaced by the manufacturer or a similarly qualified person to avoid a hazard.

If the Steam Stick is not working as it should or has been dropped, damaged, left outdoors or immersed into water, cease use and contact Kogan.com Support.

Do not pull or carry the device by a cord, use cord as a handle, close the door when the cord is obstructing or pull the cord around sharp edges or corners. Keep the cord away from heated surfaces.

Never force the plug into an outlet.

Do not use extension cords or outlets with inadequate current carrying capacity.

Unplug the appliance after use and before carrying out user maintenance.

Do not unplug by pulling the cord. To unplug, grasp the plug, not the cord.

Do not handle plug or Steam Stick with wet hands or operate without shoes.

Do not insert any objects into openings. Do not use with blocked openings.

Do not use without floor cloth in place. Do not use without water in the water tank.

When using on stairs, be extra cautious.

Store your Steam Stick indoors in a cool, dry area.

Keep your work area well lit.
• Never put any cleaning detergents into the Steam Stick. This will make the operation unsafe and may damage the unit.

• Never block the steam openings of the product or place it on a soft surface, where the steam openings may be blocked. Keep the steam openings free of lint, hair and other particles.

• Use only as described in this manual. Use only with manufacturers recommended accessories.

• Do not use in swimming pools containing water.

• This appliance can be used by children aged 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved.
1  Steam switch
2  Steam regulator
3  Power switch
4  Aluminium tube button
5  Upper cord wrap
6  Aluminium tube 1
7  Lower cord wrap
8  Aluminium tube 2
9  Mop head
10 Detergent tank cover
11 Detergent release button
12 Lock button
