## Orbis 5 Piece Uitimate Luggage Set

The default combination for the locks are 0-0-0.  
To set your own personal combination, follow these steps.

1. Set the dials to the original numbers: 0-0-0
2. Push button 1 in the direction shown by the arrow.  
Ensure you do not release the button.
3. While the button is pushed out, set each of the dials to your deired combination (Example: 4-8-6)
4. Release the button and your number is now set. Take care when setting the numbers not to release the button.

Your new combination has now been set!  
Please remember your personal combination and do not write it down where someone else is able to easily access it.

To reset the numbers to a new combination, repeat the above steps.
