

PPRTCRCVERA Portable Car Cover

The Pawever Pets portable car cover is an effective and aesthetically-pleasing car seat protector.

Ideal for any car, as well as for trucks, SUVs, and for other vehicles with backseats and headrests.

This cover is designed to cover the car's entire rear seat. The hammock-convertible design ensures your pet's ultimate safety and comfort.

The cover additionally keeps your car protected from scratches, dirt, liquid, etc.

Double protection

- Keep pets from harm and protect car surfaces against damage, dirt, hair, etc.

Easy to use

- Simply strap clip around the headrests and the non-slip backing holds the cover in place.
