IMPORTANT SAFETY INSTRUCTIONS

When using electrical appliances, especially when children are present, basic safety precautions should always be followed, including the following:

- To prevent accidents keep the appliance away from your eyelashes as well as clothes, brushes and wire.
- Always remember to turn on the trimmer before use to avoid painfully snagging or unintentionally pulling of hairs.
- Never insert the trimmer more than 6mm (1/4") into your nose or ear. Foreign objects should not come into contact with your ear drum.
- This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance.
- Cleaning and user maintenance shall not be made by children without supervision.
- Use this appliance only for its intended use as described in this manual. Do not use attachments not recommended by Remington.
- Do not use on people who are asleep.
- Never drop or insert any object into any opening of this appliance.
- Do not use this trimmer with a damaged or broken cutter unit, as injury may occur.
- Always store this appliance in a moisture-free area. Do not store it in temperatures exceeding 60°C (140°F).
- Do not disassemble the cutter assembly.
- This trimmer is showerproof, it may be used in the shower.
- Do not fully submerge this product in water or any other liquid as damage will occur.
- This appliance is for household use only.

PG025AU PRECISION PERSONAL GROOMER USE AND CARE MANUAL

Thank you for purchasing your new Remington® Personal Groomer. Inside this manual you will find tips on using and caring for your groomer.

KEY PARTS

1. Detail groomer attachment
2. Nose trimmer attachment
3. Battery compartment
4. On/Off Switch
5. Detail groomer 5 length comb

6. Attachment head release button

ALSO INCLUDED

- Styling comb
- Storage stand
- Cleaning brush

INSERTING THE BATTERY

Your Remington® Groomer runs on one “AA” Alkaline battery (Included).

- To open the battery compartment, turn the base of the unit approximately 1cm to the left and pull it off.
- Insert the “AA” battery into the unit, positive end first.
- Replace the base and turn it 1cm to the right to lock it into place.

BATTERY CAUTIONS

- Use of non-alkaline batteries will impair the unit’s operating performance.
- The battery should not be left in the unit if the unit is not in use for long periods.
- To prevent battery corrosion, the unit should be stored in a dry environment.
- Dead batteries should be removed immediately and disposed of properly.
- Do not use rechargeable batteries with this appliance. The lower voltage in rechargeable batteries impairs the performance of the cutting unit.

CHANGING THE ATTACHMENT HEADS

This model comes with interchangeable attachments. You may want to use the detail trimmer & comb for your beard, moustache, neckline & sideburns and the rotary trimmer can be used for nose and ear hair grooming.

To change heads:

- Turn the groomer off.
- Detach cutting head by pressing the head release button located above the ON/OFF switch, and gently pulling the attachment head off.
- Once the previous head is removed, attach the other head by placing it on top of the unit and gently pushing it down to the locked position.
- Turning on your groomer: Use the intuitive ON/OFF switch to turn your groomer on and off.

Note: Always remember to turn on the groomer before you insert it into your nose or ear to avoid painfully snagging hairs.

TIPS FOR BEST RESULTS

- Beard, moustache or sideburn hairs should be dry.
- Avoid using lotions before using your groomer.
- Be certain that the hair length attachment is at the desired setting. When first using, you may want to begin on the highest setting (longest hair) to prevent trimming off too much hair initially.
- Remove the Adjustable Comb attachment if you are: defining hairline edges such as sideburns, trimming the nape of your neck, trimming your beard line on front of neck.
- Since all hairs do not grow in the same direction, you may want to try different trimming methods (i.e. upwards, downwards or across). Practice is best for optimum results.

NOTE: Use slow light pressure. Too much pressure may trim off more hair than desired.

CLEANING AND MAINTENANCE

Your groomer is designed to give you years of comfortable use. To ensure that you get optimal performance from your groomer, follow these simple cleaning and lubricating tips:

RINSING YOUR GROOMER:

- Your groomer can be rinsed with cool or warm water. Just hold the unit's head under the faucet - it is not necessary to remove the head first. Do not use hot water.
- If the groomer needs additional cleaning, the cutting head should be removed. Then blow out the accumulated hair or rinse it more thoroughly under running water.
- Afterwards, shake excess water from the cutter head, making sure that all parts are held together.
- Replace the head in the same position as it was removed, until it locks into place.

LUBRICATING THE CUTTERS:

- After rinsing the unit, apply a drop or two of mineral oil or baby oil to the cutting teeth.

- Don't apply too much oil, or it may spray.
- Finally, point the groomer down and away from you, and turn it on. This spreads the oil evenly and expels any excess.

IMPORTANT NOTE: After each use, be sure to brush or blow out the accumulated hair from the cutting unit.

Suitable for cleaning under an open water tap.

This product conforms to radio frequency interference requirements
Any product purchased and used commercially carries a limited 90 Day Warranty.

Spectrum Brands Australia Pty Ltd and Spectrum Brands New Zealand Limited
WARRANTY AGAINST DEFECTS

In this warranty:

Australian Consumer Law means the Australian consumer law set out in Schedule 2 to the Competition and Consumer Act 2010;

CGA means the New Zealand Consumer Guarantees Act 1993;

Goods means the product or equipment which was accompanied by this warranty and purchased in Australia or New Zealand, as the case may be;

Manufacturer, We or us means:

1. for Goods purchased in Australia, Spectrum Brands Australia Pty Ltd ACN, 007 070 573; or
2. for Goods purchased in New Zealand, Spectrum Brands New Zealand Limited, as the case may be, contact details as set out at the end of this warranty;

Supplier means the authorised distributor or retailer of the Goods that sold you the Goods in Australia or in New Zealand; and

You means you, the original end-user purchaser of the Goods.

1. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law, or the CGA. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
2. The benefits provided by this Warranty are in addition to all other rights and remedies in respect of the Goods which the consumer has under either the Australian Consumer Law or the CGA. The original purchaser of the Goods is provided with the following Warranty subject to the Warranty Conditions:
3. We warrant the Goods for all parts defective in workmanship or materials for the period of two (2) years from the date of purchase (Warranty Period). If the Goods prove defective within the Warranty Period by reason of improper workmanship or material, we may, at our own discretion, repair or replace the Goods without charge.

Warranty Conditions

4. The Goods must be used in accordance with the manufacturer's instructions. This Warranty does not apply should the defect in or failure of the Goods be attributable to misuse, abuse, accident or non-observance of manufacturer's instructions on the part of the user. As far as the law permits, the manufacturer does not accept liability for any direct or consequential loss, damage or other expense caused by or arising out of any failure to use the Goods in accordance with the manufacturer's instructions.
5. Exhaustible components (such as shaver heads, cutters and foils) of the Goods are included under this Warranty only where there is a defect in workmanship or materials used.
6. The warranty granted under clause 3 is limited to repair or replacement only.
7. Any parts of the Goods replaced during repairs or any product replaced remain the property of the manufacturer. In the event of the Goods being replaced during the Warranty Period, the warranty on the replacement Goods will expire on the same date as for the Warranty Period on the original Goods which are replaced.
8. In order to claim under the warranty granted under clause 3 you must:
 - (a) Retain this warranty with your receipt/proof of purchase; and
 - (b) Return the Goods to us at the relevant address below or to the Supplier by prepaid freight within the Warranty Period accompanied with (i) the legible and unmodified original proof of purchase, which clearly indicates the name and address of the Supplier, the date and place of purchase, the product name or other product serial number and (ii) this warranty.

9. This warranty is immediately void if:
 - (a) Any serial number or appliance plate is removed or defaced;
 - (b) The Goods have been serviced or otherwise repaired by a person not authorised to do so by us or where non approved replaced parts are used.
10. The Goods are designed for domestic use only. A limited 90-day Warranty applies to any industrial or commercial use of the Goods. The Goods must be connected to the electrical voltage requirements as specified in the ratings label located on the Goods.
11. This warranty does not cover the cost of claiming under the warranty or transport of the Goods to and from the Supplier or us.
12. This warranty is only valid and enforceable in Australia against Spectrum Brands Australia Pty Ltd and in New Zealand against Spectrum Brands New Zealand Limited.

Contact us or the Supplier for further details.
